SET-UP: Vendor booth spaces are outdoors. Vendors provide their own set-up, staff their exhibit, and clean up. Vendors bring their own tables, chairs, booth, trailer, and/or canopy. **Pre-event set up is Saturday, Sept. 11th 6:30 am to 9:30 am. Booths open at 10:00 am on the day of the event.** No selling out of vehicles, unless specifically designed for that purpose, i.e.: concession van. **NO UNAPPROVED ROAMING VENDORS ALLOWED IN FESTIVAL AREA.** Failure to comply with the set-up and closing time will exclude vendors from future fairs.

EVENING HOURS: All vendor booths remain open until 5:00 pm. Vendors must exit the festival area no later than 8:00 pm. Electrical power is available; booths must furnish their own lighting. **For safety reasons, vehicles may not exit or enter the area until the event is over AND you have been notified by a booth committee official that it is safe to leave.**

CLEAN UP/EXITING: Vendor booths must remain set up and staffed the entire event. There will be no early exits and vendors need to plan accordingly. **Vendors are responsible for their trash.** The Event

OVERSIZE BOOTH FEE: Standard booth size is 10' x 10'. If your vehicle or trailer including tongue and hitch or canopy exceeds the 10' x 10' booth size, you should select the 10' x 20' booth space. If any part of your booth, including EZ-Ups, awnings, and BBQ's, exceeds the 10' x 10' space, please select the 10' x 20' booth space.

Most trailers extend beyond the 10' x 10' booth size. Please measure your trailer's overall size prior to submitting your application. Any vendor who does not disclose their oversize vehicle or trailer and does not fit in the assigned space will be assessed an "up charge" to the next booth size fee or may not be allowed to enter next year's festival.

PARKING/LOADING PASS: Each booth is issued two loading passes to be used for unloading/set-up from 6:30 am – 9:30 am on Saturday, Sept. 11. Please display this pass in your vehicle when unloading and loading. Vehicles left unattended on festival grounds during event hours of 10:00 am – 5:00 pm may be towed. Vehicles must follow the designated route in the festival grounds and park only in approved locations. Courtesy must be used in unloading, not to block the road or other vendors from setting up.

FOOD HANDLERS PERMIT: Name, address and phone numbers of all accepted food vendors and the types of foods proposed to be sold will be sent to the Placer County Department of Health and Human Services. The Health Department can answer questions regarding current safe food handling practices: (530) 889-7335.

Due to the large number of people attending the 2010 Lincoln All America City Rib Festival, the Health Department intends to conduct full inspections of the food facilities at the Festival. All vendors will be required to show a permit and to meet the requirements of the California Uniform Retail Food Facilities Law as it pertains to temporary food facilities. It is the sole responsibility of the food vendor/organization to meet all requirements of the Health Department. If a food vendor/organization is found at any time to be non-compliant with any Health Department requirements, it will be closed immediately and required to leave the 2010 Lincoln All America City Rib Festival. If it is determined a food booth must close for failure to meet requirements, the Friends of Lincoln Kids and the 2010 Lincoln All America City Rib Festival Committee will not be liable to the vendor; vendor will not receive a refund of booth fee, and vendor may not be allowed to participate in future Friends of Lincoln Kids sponsored events.
